Welcome

Dear Applicant,

Thank you for your interest in applying for a post at one of our federated schools. I hope this pack supports you in finding out more about Primary Advantage and starting your application. We are keen to meet you and welcome visits to our schools.

Primary Advantage is a federation of seven schools and serves a multi-cultural community in the London Borough of Hackney. We have four Church of England schools and four Community schools. Our schools are exciting places to work, with high expectations which promote innovation, forward thinking and excellence. We also offer the unique opportunity to be part of a community of teachers who regularly share best practice and learn from each other.

Our annual learning festivals provide fantastic opportunities for teachers to explore issues in a dynamic professional setting. At the 'My Voice, My Future' January 2025 Inset Day the focus was on our pupils having a voice, whether that is through developing early language skills in our youngest children or encouraging all pupils to express themselves confidently and articulately so that they flourish at school and beyond.

The pack includes some background information about the federation, information about the application process and the job description.

The closing date for this application is: Monday 24th February 2025 at 9am

Our Background

Our schools gain significant benefits from working collaboratively, we strongly believe that schools can achieve more by working together. We have made a commitment to a shared responsibility to the wider education community, the provision of a high quality education and the improvement of life chances for pupils in the community beyond that of our own schools.

Our journey started in 2000 when St John & St James CE Primary School opened as a Fresh Start School. Since then we have worked alongside many different schools in Hackney, across London and in many different parts of the country and have grown into a Federation of seven schools. We work collaboratively towards a shared vision and agreed commitments but our schools are individual, serving the needs of different communities in creative and innovative ways.

Our Commitments

Every teacher is a great teacher; every school is a great school.

We aim to move incrementally towards excellence in all aspects of our work.

All pupils will make good or better progress and will be properly equipped for the next stage of their schooling.

Learning environments are of high quality where pupils feel **safe and secure, known and valued and motivated to learn.**

Curriculum provision is bespoke, broadens horizons and inspires our pupils to become successful learners, confident individuals and responsible citizens.

Our learning community provides opportunities for growth for pupils, staff and families.

Expectation

We believe passionately in improving the life chances for all our pupils. We have the highest possible standards and will use our resources and expertise to unlock learning in all its facets for all our children. No barrier is too great; no learner is left behind. Skilled teachers use the most effective teaching methods to motivate learners and raise aspirations. Our schools are special places to work. We want to attract and retain staff at all levels that are willing to think flexibly, work with rigour and precision, and go the extra mile.

Partnership

We work in partnership, pooling our expertise and resources in order to achieve collectively what we may not be able to achieve individually. We promote a collaborative approach whilst developing the capacity of each school to serve its own community and retain its distinct identity. We have developed approaches which we know make the most significant impact on pupil outcomes. These are well considered systems, approaches or policies which can be implemented in a range of settings with the appropriate levels of support.

Leadership

Our leadership structure aims to make the most of our shared resources, maintain high expectations and secure high standards. We build leadership sustainability by spotting talent and creating opportunities for all staff at all levels to receive high quality training and leadership experiences. We recognise the importance of individuality, spontaneity and creativity in developing innovation. We seek to maximise the efficiency and effectiveness of each school by capitalising on centralised services and sharing systems and procedures.

Growth

Through the work of the Primary Advantage Learning, Development and Partnership service, we are able to offer excellent professional development for current practitioners, leaders and future recruits to the profession. Teachers have many opportunities for professional growth through our development and masters programmes. Staff, pupils and families have opportunities for growth through links with our partners, schools and a wide range of enrichment activities.

PA MY VOICE, MY FUTURE INSET - JANUARY 2025

Our schools are full of wonderful children from a diverse range of backgrounds and with a wide range of abilities, experiences and needs. Every child is valued and we want every child to succeed and reach their potential. In this, our ninth, annual festival of education, our teachers and teaching assistants focused on our pupils having a voice. Whether that is through developing early language skills in our youngest children or encouraging all pupils to express themselves confidently and articulately so that they flourish at school and beyond. All early years had training on how music and singing can develop language and communication in our youngest children. KS1 & KS2 practitioners visited the UK Parliament to develop their subject knowledge of democracy, and how this can be used to enhance work on oracy, pupil voice and citizenship.
